CERV Town Twinning Project

Citizens' Cinema

Our Europe on Screen

Ten short films from five communities

Five partner communities made these ten short films as part of the *PRIDE – Promoting Respect, Inclusion, Diversity & Engagement Across Communities in Europe* project. The European Union funded the project through its Citizens, Equality, Rights and Values (CERV) programme under the Town Twinning call CERV-2025-CITIZENS-TOWN-TT.

Each community contributed one film on each of the two themes below. All ten films were shown to the public for the first time at the town twinning meeting in Brestovec, Slovakia, on 29 August 2026.

Europe of Achievements

What does European cooperation mean in everyday life? These five films explore the difference it makes in the partner communities.

Designing Europe Together

What kind of Europe do we want to build together? These five films highlight local traditions and ideas inspired by European values such as sustainability and inclusion.
